Founders' Gallery

The Dr. Bhau Daji Lad Mumbai City Museum is the oldest museum in Mumbai. Originally established in 1857 as a treasure house of the decorative and industrial arts, the floors of the Museum feature richly detailed encaustic tiles that are an unexpected treat for any visitor.

This pattern covers the floor of the Founders' Gallery, that showcases the stories of the men who helped establish this unique institution. Colour the pattern below with your chosen medium and tag us on Instagram!
